

Festival of Banners 2012

Applications & Regulations Form

Sunshine Sketches is the theme for the 2012 Festival of Banners and your starting point to create a unique work of art that may line the street with other banners in downtown Orillia this summer. Everyone eight and over is invited to enter a design for the festival. The chosen designs will be painted by the designers themselves, and will hang on the city streets from May to October of 2012.

The banners will be sold at a silent auction gala at the Orillia Museum of Art & History at the end of the festival in November, and the proceeds will go to the 2013 festival. The banners are the property of the festival until sold.

How to Enter:
